

**REMARKS**

This paper responds to the Final Office Action mailed November 16, 2004.

Claims 60-62 are rejected under 35USC102(e) as anticipated by "Cobb", and claims 63 to 67 have been indicated as being allowable if rewritten in independent form. All other claims have been allowed.

Claim 60 has been amended to include the limitations of claim 67, and claim 67 has been cancelled. Claim 60 thus comprises claim 67 rewritten in independent form.

Claim 65 has also been rewritten in dependent form.

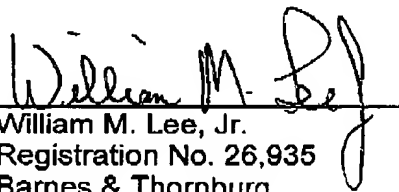

Dependent claim 61 has been amended so that it is dependent on amended claim 65 rather than on amended claim 60.

No fees are due since adequate fees were paid at the time of application filing.

The amendments and comments above address the final rejections raised and therefore place this application in condition for allowance. Such action is therefore solicited.
